

# ASTD Membership Prepares You with Real World Learning & Development Experience

**ASTD (American Society for Training & Development) is where theory meets practice, delivering professional, practical resources on training, instructional design, coaching, organizational development, talent management, ROI, and human performance improvement.**

**For just \$59 Per Year, ASTD Student Members Receive:**

- **T+D magazine** – 12 issues per year of the training industry's leading magazine, online and in hardcopy. (Student members outside the U.S. receive electronic access.)
- **Career Resources** – Plan your career path with the Career Navigator, search for jobs, or post your resume to the ASTD Job Bank.
- **ASTD Links & The Buzz** – E-newsletters keep you up-to-date with real world training.
- **Discounts** on ASTD conferences, books, and professional certificate programs, including the foundational Training Certificate.
- **ASTD Online Library** – The ASTD Online Library gives you full access to 3000+ leading periodicals, newspapers, and business resources. The Library also includes business book summaries to get you up to speed quickly.
- **Networking Opportunities** – Connect with other members on LinkedIn, Facebook, Twitter, Second Life, and through the ASTD Member Directory.

**To qualify, student members must take a minimum of 12 credit hours per year at an accredited college or university, and/or maintain a current student membership through an ASTD chapter.**

**Ready to join? Visit [www.store.astd.org](http://www.store.astd.org) and click “Membership”**  
**For more information about ASTD student membership, visit [www.astd.org/membership](http://www.astd.org/membership).**

### **ASTD Chapter Membership**

ASTD local chapters connect you to local professional development events and networking opportunities.  
Visit [www.astd.org/chapters](http://www.astd.org/chapters) to locate the ASTD chapter nearest you.

### **Academic Partner Program**

ASTD is partnering with institutions of higher learning to provide real-world tools and expertise to current educators and future practitioners of workplace learning. To find out more information please visit
